Who We Are

SISIL Merchandise is the dedicated apparel sourcing division of **SISIL Tejas India Private Limited**, strategically based in South India's textile hub, Tirupur, Tamilnadu.

We **connect** global fashion brands with ethical, high-quality manufacturers across Tirupur, Coimbatore, Erode, Karur & across Tamilnadu.

Our team brings decades of hands-on expertise across the entire supply chain—spanning manufacturing, sourcing, quality assurance, and logistics. Through long-standing partnerships with India's leading garment, we offer a comprehensive product range backed by consistent quality, compliance, and timely delivery.

From **concept to shipment**, we accompany our clients through every stage of development—creating, implementing, and investing in solutions that make fashion more climate-conscious and commercially agile.

With deep local roots and a global perspective, SISIL Merchandise is a trusted sourcing partner for international buyers seeking reliability, transparency, and innovation.

Mission: To deliver reliable, transparent, and sustainable apparel sourcing solutions.

Vision: To be India's most trusted sourcing partner for sustainable and scalable fashion.
